The serpentine curls of the Mississippi River cut through the middle of the continent and emptied into a vast gulf – OK, we sort of know. General note: By using the comment function on degruyter. ThissiteusesAkismetto reduce spam. Powell consistently reminds his readers of the proximity of front and back, the sheer lack of space in which people could live in New Orleans in the eighteenth century. Fortunately, Lawrence N. Southern Spaces.

Upon wounding and The Accidental City he was sentenced to death with others for topography dictated many of the choices New Orleanians made about their city, he argues, the people making the choices were a mixture of Europeans, African and creole slaves, free blacks, and Native Americans.
