While carbo-loading in Tibet, Kyrgyzstan, Turkey, and Iran, among many other stops, Lin-Liu serves up insights on these societies--with a focus on women's roles--along with generous helpings of detail and humor. I am delighted to read this post. Highly subjective I realize, but Italy seemed largely an anti-climatic coasting if you will to the end, where she concludes that pasta developed separately in the east and west, rather being specifically "spread" from one end of the route to the .

I wasn't sure I'd be able to get into the book at first, but the Chinese section on A delicious view of history in search of noodles along the silk road, from China to Italy, with many stops. Penguin Publishing Group.

Methods are altered, names evolve, and individuals claim the dishes as their own now, though, this book stands as a tantalizing glimpse of what might be. Take a minute to subscribe and continue to enjoy The Seattle Times for as little as 99 cents a week.
