Friend Reviews. They uncover significant evidence of pre-Inca ritual use of the islands, which raises the compelling possibility that the religious significance of the islands is of great antiquity. FacesofResistance.CarolynJDean. How to write a great review. Drawing on a systematic archaeological survey and test excavations in the islands, as well as data from historical texts and ethnography, the authors document a succession of complex polities in the islands from BC to the time of European contact in the s AD.
