Khosravi tells of his own migration experience through irregular channels, from Iran and into Europe. There is a continuum between these policies, and the diffusion of detention and control policies is a strong case study for policy cascades across states, as well as the or between rights and security. These two gentlemen, Messrs.

KalyanSanyal. Chapters connect issues of borders and security to questions of justice. What did these movements contribute to the development of workerist theory?

SuviSankari.Yousubmittedthefollowingratingandreview.This is a factor in the further diversification of the structure and geography of outsourced digital labour and the emergence of new hot spots beyond the well-known locations in South East Asia. In particular, through the growing speed and coverage area of mobile internet infrastructure along with the proliferation of smartphones and tablets.
