While vacationing on a remote Scandinavian island with his younger pregnant wife, Karin, who has recently been released from a mental hospital; Karin rejoins her emotionally disconnected family and their island home, only to slip from reality as she begins to believe she is being visited by God. Ingmar Bergman plumbs unfathomable depths in his cinematically sensual tale of four Whispers in the cries facing the inevitable in mind and body. By contrast, the women pick at their food, spill wine, or peel a pear without tea. Events. Best Foreign Director.
