Complain about this comment Comment number 2. Edition: current; Page: [41] The great plethora of this worthless quantity of paper currency being removed, the value of the whole currency was raised almost to par; so near, in fact, that the smallest care and attention would have brought it quite to par; and if means could have been taken to prevent the growth of the rank luxuriance of country bank notes, cash payments would have been resumed at this period with the utmost possible facility, and, as a matter of course, without exciting the least comment.
