Example: the management considers the museum as a potential reintegration tool for the city prison. According to its view there are lots of possibilities in the museums for the competence-based education than the schools actually use. The children are offered a puppet theatre and figures that are small copies of figures they have already viewed in paintings. Furthermore, the analysis showed that children need time to discover the har  
O ato criador. The images encompass British fashion -30, a visit from the King in and all walks of life from dukes to children to shopkeepers. As part of this process, ICOFOM

initiated an academic debate on the Definition, welcoming museologists, museum professionals and policy makers to a suite of symposia held around the world in
