It looks like you are located in Australia or New Zealand Close. She tries to be funny, well, sometimes, but it doesn't work. Published by Spectra

Idunno, I needed more answers in that perspective. The book kept me glued, I was From New York to the UK, they track down other warriors and fight strange nature- and psychic-based battles. In this part of the storytelling, the author will keep readers engaged. He also tells her that she'll need to recover her memories of her former self in order to increase her magical abilities in this life. It's just like what Kian had said. We did a search for other books with a similar title, and found some results for you that may be helpful.
