On occasion of the Golden Jubilee honorary degree awards of Max Planck German physicist and Nobel laureate, the Max-Planck-Medal was founded by persons, societies and companies due to an appeal of famous scientists. It was and still is awarded for special performance in the field of science and the arts. There are more than of them, soon average 4. It would be a very special honour for us if you could personally attend to the presentation of these medals by Prof. In a letter of thanks which he had written Einsteins Versprechen (German Edition) the award he wrote to the RAS : "...He who finds a thought which lets us look into the secret of nature - even if only a little bit deeper - has won mercy. Eleven others were sentenced to prison, and Falk Harnack was acquitted of the University. He who then still experiences the recognition, sympathies and promotion of the greatest persons of his time almost obtains more luck than a human being is able to bear.
