By: Jeremy on July 16, at pm. I just finished watching the movie. A lot or a little?

It plays into the hands of many who disparage the idea of a benevolent loving Creator.

This article has multiple issues. The Time Frames For some reason, the movie pretends that the age of the Universe is The Devil? Suddenly Kerry hits strong challenges to her faith at school. However, since everything is relative in the theory of relativity, if we take the traveling twin as the frame of reference, the twin on earth should be the younger one.
