An excellent book, which should be required reading for anyone seeking to understand the phenomenon of China's rise in contemporary world politics. Roy anticipates China becoming more assertive as its power increases, and his study helps to understand why this may be the case. Diplomatic disputes regarding the islands in the South China Sea, as well as controversial relations with North Korea, continue to undermine Chinese promises of positive behavior. Togglenavigation. You can remove the unavailable items now or we'll automatically remove it at Checkout. Lowell Dittmer. On these issues, nationalism trumps any reluctance to upset the international . Skipthislist. Although difficult to measure precisely, the annual amounts China spends on its military forces have increased at least fivefold from to
