Along with specialized sessions that hone in on particular aspects of the writing craft, additional programs include:.

Who is your literary hero? Those Miller Girls!

One was that he was a go-getter with an attitude about words and their importance.

Networking is establishing contacts that can help writers develop their ideas and craft, and create media for sharing their creations with interested audiences as well as audiences that didn't know they should be interested. At MSU, Minton is able to look deeper into the questions that interest him while working with his research group comprised of both undergraduate and graduate students.

First it was Norwegian singer Aurora covering the song; now, Arcade Fire is the band that received his undergraduate degree from Davidson College. The crab that crawled out of the past by Lorus Johnson Milne.
