Groups or users reported for violations of these standards such as hate speech, harassment, violence or nudity may be investigated and taken. For small B2B companies, that means

understanding how different pieces of content fit in the B2B sales cycle.

Aim for no less than words as a minimum, and your content will still be readable. This alone already puts you light years ahead of your competitors! But I believe that finding multiple sweet spots - between yesterday's technology and tomorrow's tools, between creativity and analytics, and between racing too far ahead of the company or moving too slowly - is one of the keys to being a successful marketer.
