This was normally preceded by a request to "Hlala endleleni" To play or dally along the road or "ayi shaya inyoka endleleni" To strike the snake in the road. Public protocol eventually forced him to wear at the least an umncedo, which was a woven cup-shaped object that was attached to the end of a man's penis.

The undoubted tragedy that the war of his reign involved for large areas of southern Africa. It is sometimes held that such support was used more for very light forces designed to extract tribute in cattle and slaves from neighbouring groups. So stop reading the European version of your own history!

Bryant gives us a more Zulu-centred picture. Although he preferred social and propagandistic political methods, he also engaged in a number of battles, as the Zulu sources make clear.
