India should be particularly engaged in the security dialogues and processes in the region. Due partly to strong historical and cultural links between the two countries, bilateral trade and people-to-people co-operation remain important areas in our relations.

Inthedefenceministriesofthetwocountriesconductedworking-levelexchange. Thus, despite long being a target of the nonproliferation regimes, India has vowed to conform to the terms even outside the. Over half of all global oil shipments go through the Malacca Straits annually. A similar agreement, the Japan-Philippines Economic Partnership Agreement, led to nurses returning to the Philippines with complaints from nurses about exploitative employment practices, poor support

and lack of facilities for integration Pillinger, ; Yagi et al. Viewprivacypolicy. The Philippines stands out as a serial signatory of international agreements, with commitments through bilateral, regional and global instruments. The security situation in Northeast Asia remains a priority concern for all the nations of the region because of their focus on economic reform, development, recovery and sustainability.
