No, we are here talking about the fact of evolution itself, a fact that is proved utterly Faith is belief in spite of, even perhaps because of, the lack of evidence. of paranormalism debauches true science and undermines the efforts of their own . I'm a cultural Christian the same way as many of my friends call themselves.

My decision to leave the Christian faith didn't just happen because of a I do not wish to speak ill of anyone, and I will do my best to not name.
